

Ripe for Abuse: How Joint Accounts Thwart Estate Plans

May 21 2021

Posted By: Peter J. Walsh & Aaron J. Foley

Practice Area: Fiduciary Litigation and Inheritance Disputes

Peter Walsh and Aaron Foley authored this article for the *Wisconsin Lawyer*, May 2021 issue.

Joint accounts at financial institutions might become vehicles for asset transfers at death in ways that account creators did not intend. Learn how to determine whether a joint account holder has interfered with a decedent's estate planning goals by inappropriate use of the joint account. [Link to article on wisbar.org.](#)
