

Filing Obligations and Deadlines for The Corporate Transparency Act

Oct 03 2024

Practice Area: Corporate Transparency Act

There are impending deadlines under The Corporate Transparency Act (the "CTA"), which is a new Federal law that will impact almost all closely-held entities, such as LLCs, corporations, and limited partnerships.

For more information about the CTA, please read our previous Legal Update: [What You Need to Know About The Corporate Transparency Act](#).

Filing Obligations and Deadlines

Entities formed before January 1, 2024, must file their initial report by **January 1, 2025**. For entities formed on or after January 1, 2024, and before January 1, 2025, the filing deadline is **90 days** after the entity's creation or registration. For entities formed on or after January 1, 2025, the filing deadline is **30 days** after the entity's creation or registration. Additionally, if your entity's beneficial ownership information changes after the initial report is submitted, you must report the updates to the Financial Crimes Enforcement Network ("FinCEN") within **30 days**, regardless of when the entity was formed. FinCEN oversees the CTA. **Please note that failure to comply with these requirements could lead to substantial penalties.**
