Shelly Flunker is a Paralegal with nearly 20 years of experience working in the areas of real estate, corporate governance, trusts and estates, and loan transactions. She assists clients with corporate entity formations and dissolutions, business transactions, commercial loan documentation, commercial and residential real estate transactions, estate planning and trust administration, asset purchases and merger acquisitions. Her communication and organization skills make her an asset in managing client projects.

Shelly serves on the run committee for Dairy Cares of Wisconsin, an organization that supports Children's Hospital of Wisconsin, and is an active member volunteering at her church.
